

“In the monument business we find that families are very loyal to us. We bring that same family loyalty to our relationship with Dakota Granite. Our rep isn’t really our salesman, but a true family friend.

Compared to other suppliers Dakota Granite is quick on delivery. We don’t have to inventory a lot of stock. It’s hard on a family to have to wait for their monument. So, when we can get an order quickly and it’s ready for lettering, we can help bring healing and closure to a family.

Even Dakota’s crating is superior – easy to unload and crated with quality pine wood. When some of your monuments from other suppliers arrive in a cardboard box, you realize Dakota Granite does things the right way from start to finish. I guess I’d say that Dakota Granite does what I wish all suppliers would do.”
